

"A complete solution for all your cardamom requirements"

## Processing Units

### IN KERALA

Our primary processing unit is staffed by a team of dedicated, skilled workers with decades of experience. They meticulously handle the transformation of fresh cardamom fruits into dried green cardamom, preserving its aroma and natural green color.

📍 Plantations : Attupara of Western Ghats, Idukki District, Kerala, INDIA

### IN TAMIL NADU

Our ISO Standard Processing & Packing Unit offers a comprehensive range of processes including dust cleaning, de-stoning, color sorting, grading, and packing.

📍 Processing Unit: SF No. 943/2F No. 943/2F, RKN Nagar, T.Meenakshipuram Road, Thevaram, Theni Dist. - 625 530, INDIA.

From our farm to your Kitchen

### INDIAN CARDAMOM: A CULINARY TREASURE

Renowned for its exquisite flavor and aromatic richness, Indian cardamom is highly sought after worldwide. Sourced from lush Kerala plantations, it boasts superior quality and a distinct taste profile.

## GET TO KNOW US

Alfa Trading, a leading spice manufacturer based in Idukki, Kerala, specialized in fresh green cardamom and other high-quality spices. Originally, established in 1985 under the name RKN FARMS, we rebranded as Alfa Trading in 2016 and have since become a prominent firm in the region, boasting a network of two processing centers and four raw material collection centers.

## OUR AIM

### "Cardamom Culture"

We aim to grow our market by leveraging our dependable customer partnerships. Unite the world together by the distinctive flavour of cardamom.
